

CONTRACTORS SOUGHT FOR SIDEWALK REPLACEMENT PROJECT

Contractors (that are not already on the Villages list of approved contractors) that are interested in being considered for inclusion on the Village of Gouverneur Sidewalk Replacement Program list of contractors can call Dawn McCollum, the DPW Clerk, at 287-0110 to schedule a brief appointment for review.

Each contractor must provide information or references to satisfy that they are capable of doing the work that will be required of them for this Program. Each contractor, or sub-contractor, must also provide proof of adequate insurance coverage and must maintain coverage as long as any work is being performed under this Program. Thank you.
